Meet Mahashweta Devi

Mahashweta Devi is an ardent devotee of Mata and a very famous lady hailing from Jaunpur in Uttar Pradesh. She is in her mid thirty's and referred to as Shweta devi in her area by one and all. People believe that Mata herself adorn Mahashweta Devi on specific occasions like major puja's and other big yagnas. On such occasions Mahashweta Devi readies herself like Mata, big bindis, open hair, eyes full with Kajal, nose ornament et al. When Mata adorns Mahashweta Devi her voice also changes and she starts gyrating vigorously answering people's queries while people throng to touch her feet for blessings.

Taking advantage of this blind belief of people, Mahashweta Devi along with Sheelkumar have earned enormous wealth and now lives a very rich lifestyle. She also has a son Aman. It is Sheelkumar who has given her the title Mahashweta Devi and both of them are exploiting people's blind belief of being Mata's messengers.
