

Meet Rasal

RASAL... 18 years of age and younger sister of Rumini. Although Rasal is Rukmini's step sister, she is dearly loved by Rukmini and is her best friend. The girls are the breadwinners of the household. Rasal is an official letter writer of the village while Rukmini crafts Krishna idols out of clay and sell them. The show *Kesariya Balam Aavo Hamare Des* though depicts Rukmini's struggle through life and its various circumstances, it also highlights an important aspect of the myriad relations shared between Rukmini and her sister Rasal.
